**Alive: New and Selected Poems** Elizabeth Willis

Finalist for the 2016 Pulitzer Prize in Poetry

American poet Elizabeth Willis has written an electrifying body of work spanning more than twenty years. With a wild and inquisitive lyricism, Willis—“one of the most outstanding poets of her generation” (Susan Howe)—draws us into intricate patterns of thought and feeling. The intimate and civic address of these poems is laced with subterranean affinities among painters, botanists, politicians, witches and agitators. Coursing through this work is the clarity and resistance of a world that asks the poem *to rise to this, to speak its fury*.
