That Distant Land: The Collected Stories (Port William) Wendell Berry

That Distant Land includes twenty-three stories from Wendell Berry's Port William membership. Arranged in their fictional chronology, the book shines forth as a single sustained work, not simply an anthology. It reveals Wendell Berry as a literary master capable of managing an imaginative integrity over decades of writing with a multitude of characters followed over several generations. Combining *The Wild Birds* (1985), *Fidelity* (1992), and *Watch With Me* (1994), and including four never-before-collected stories and a map of Port William, this book offers rest for the weary, hope for the beleaguered, and strength for the rest of us.
