The Zen of Strategy: Applying Game Theory and Buddhist principles to maximise success at work and at home Kenji M. Maeda

In this highly original book, practicing Buddhist and Game Theorist, Kenji Maeda, discusses the combined application of two-thousand year-old Buddhist principles with contemporary Game Theory concepts. Learn –

- How to apply the concept of “attachment” to strategic situations to ensure your actions always reflect your strategy
- How to combine the concepts of “Karma” with Decision Trees to judiciously map the chain of cause and effect with accuracy
- That acting morally, ethically and without harming others is in your best long term interests
- That nothing stays the same. Constant adaptation of your strategy is required to deal with this
- That following the principles of “Mindfulness” will prevent your emotions from hijacking your best-laid plans
