What if you could live your life in partnership with divinity, using intuition as your guide? According to Clarissa Pinkola Estés, PhD, and Caroline Myss, such a life is possible. In fact, it has been the life that mystics have chosen throughout history, and only one thing is required: the willingness to completely surrender to divine instruction.

Now Caroline Myss and Dr. Estés?two of the country's leading intuitives and bestselling authors?are together for the first time on audio with *Intuition and the Mystical Life*, where listeners join them to explore:

- The difference between instinct and intuition—when to use each of these powerful decision-making tools
- Spiritual emergencies?using the power of prayer for empowerment during these initiations into the next level of divine awakening
- New ways to face the challenges of life's cyclical transitions, and much more

*Intuition and the Mystical Life* is a special jewel of eloquent teachings by two of the world's most influential women today, who offer listeners useful, down-to-earth advice for surrendering to the process of mystical transformation.
